196/21	<p>Monthly Cornwall Councillor Report:- Councillor Mrs. J. Cruse, reported as follows and thanked the Clerk for circulating prior to the meeting:-</p> <ul style="list-style-type: none"> • First of all, good news. I have been informed that Bodmin Hospital is to receive a CAT Scanner. This has already been purchased and will be installed soon. Additionally, as part of the Integrated Care System there will be upgrades to some departments in Bodmin as part of the new Integrated Care System. Adult Care continues to be in crisis, due, in part, to lack of staffing to cover patients return to home care. There is a one-off payment of £1,200 being offered to help patients return comfortably to home. More investment in training and giving carers equal standing within the health service needs to be priority. The Care service should be a fully integrated service within the NHS and receive equal standing. • Delivery of three new bins to the Scarlet Well area has made a great improvement to litter and poo bag dropping. The car park is fully functional and double yellow lines round the area have improved the poor parking situation. Please encourage visitors to use the car park. • Road resurfacing works have commenced at Lanivet. The Cardinham Woodlands Nursery improvement is still at the consultation stage. Speed monitoring is agreed at Hellandbridge, Helland, Lanivet and Nanstallon. • Planning: The Climate Emergency DPD is now available to view on the Council website; this will sit beside the Local Plan and will be material consideration in planning applications. The Cornwall Planning for Biodiversity Guide is also a useful document as is the Cornwall Council Interim Planning Guidance for Residential Uses in Town Centres. The St Lawrence Urban Extensions Public Consultation will be open for public consultation from the 6th September until the end of November. Estates Transformation Team is now turning to Bodmin to create a more productive space at Chy Trevail which will include more facilities for the general public. My concern for accessibility for the village community has been raised. 	

	<p>As part of the improved package, we should be looking at providing a bus service into Chy Trevail from the villages.</p> <ul style="list-style-type: none"> • Queens' Platinum Jubilee: I would like to create a red, white and blue flower display in every parish with a tree planting (if a suitable site can be found). Can we discuss this and suggest sites? (One already agreed at Blisland). • The Council has put up some emergency housing in Truro and Carn Brea and is purchasing further properties to help with the housing situation. I am confident the situation regarding second homes will be looked at and a solution decided soon, as some parts of Cornwall have become so expensive it is impossible for local people to purchase a house. • The scoping investigation for lorries being stuck on narrow lanes continues and evidence is coming forward for 'hot spots' which I will discuss with Highways and Parish Councils. • I have set up speed monitoring in two areas in Helland and if this is of interest to Withiel please let me know. • I did a litter pick at Preeze Cross and was not pleased to find KFC cartons and drinks, so am writing to the manager to express my concerns. • I have also requested all the outstanding Enforcement notices in Withiel so that we may enquire as to what state they are in the enforcement flow chart. • I and Sonny thoroughly enjoyed the Dog Show, it was good to get out and about again, and the home baking was exceptional. • And lastly, I hope you are all surviving the influx of visitors. Without doubt this is a very busy summer, and folk are looking for a much-needed break. It is a good thing that our county (country) can offer refuge and we should be proud of that. However, I am sure that after this year things will quieten down, probably the rather dull weather will see to that. • Community Chest – she has awarded £300.00 to the Panda Netball Team. Chairman thanked Cornwall Councillor Mrs. J. Cruse for supporting the team. • Cormac have agreed to carry out a speed monitoring. • Hedge has been reported at Truro Road as raised by the Chairman. • Tree Planting for next year. Councillors confirmed a tree had been removed behind Mid Cornwall Brokers on the Village Green. Cornwall Councillor Mrs. J. Cruse to follow up and arrange a replacement tree. She would also like to do a red, white and display of flowers for the Queens Jubilee. Councillor Miss P. Bolton suggested some planting at the bus stop in Nanstallon. Clerk confirmed from the tree surgery report the type of tree recommended. • She had a gentleman contact her regarding a 20mph speed sign, which she is following up. <p>Chair thanked Cornwall Councillor Mrs. J. Cruse for her report this evening.</p>	
197/21	<p>Highway Issues/Footpath Issues/Damaged Signs in the Parish (Including (a) Update on Bench Area damage near Six Turnings; (b) Drainage Issues at Lamorrick):-</p> <p>Highway Issues:- Councillor Miss P. Bolton reported that Cornwall Council Highways are hoping to have a 20mph limit past the school and a lot of villagers are hoping to have it through the village and not just by the school. On behalf of the Parish Council, she could forward on the email on to the Clerk, parish council to support 20mph through the village as proposed (Proposed: Councillor Miss P. Bolton; Seconded: Councillor T. Hancock) Action: Clerk.</p>	Clerk

	<p>Councillor Miss P. Bolton reported on the tea rooms and the issues with parking and the amount of vehicles. They have made an effort and have been trying to prevent cars parking on the corner, however, people are parking from the Camel Trail all the way to the bridge and beyond Action: Councillor Miss P. Bolton and Chairman will discuss this further and see if a solution can be found.</p> <p>Councillor Mrs. J. Stickland reported the speed sign overgrown reported last month by Councillor C. Vercoe has still not been cleared Action: Clerk to follow up.</p> <p>Chairman reported the whole of the main A389 road cut back, he wonders if this would be better coming from Cornwall Councillor Mrs. J. Cruse Action: Cornwall Councillor Mrs. J. Cruse.</p> <p>Chairman queried the Community Network advising money was earmarked for work at Lamorrack. The last he heard it was starting in August and he asked if Cornwall Councillor Mrs. J. Cruse could follow up and make enquiries Action: Cornwall Councillor Mrs. J. Cruse.</p> <p>Councillor Mrs. H. Akehurst reported the road has been resurfaced in Nanstallon there is so much gravel which is very dangerous. Cornwall Councillor Mrs. J. Cruse suggested reporting via the links on Cornwall Council website.</p> <p>Footpaths:- None.</p> <p>Damaged Signs in the Parish:- None.</p> <p>Update on Bench Area damage near Six Turnings:- Councillor A. Barnaby reported he had spoken to the Contractor, and he needed to speak to him. It was suggested the Clerk contacts John Kingdon to ask him to liaise directly with the Chairman Action: Councillor D. Williams to call in and speak to John Kingdon directly to liaise with the Chairman.</p> <p>Drainage Issues at Lamorrack:- Email received from Steve Walker in respect of trying to get the road drainage problems in Lamorrack resolved and the drainage scheme that was drawn up for the bridge implemented. Although they were told it was in hand, nothing seems to have happened yet, this was originally being dealt with by Chris Batters. With winter fast approaching he wondered if the Parish Council would raise the issue again with Cornwall Council and Cornwall Councillor Mrs. J. Cruse so that the residents of Lamorrack do not have to put up with yet another winter of flooding and damage. It was resolved to send information on to Cormac Solutions, copying in Councillor Mrs. J. Cruse Action: Clerk.</p>	<p>Cllr. Miss P. Bolton/ Chairman</p> <p>Clerk</p> <p>Cwll. Cllr. Mrs. J. 191/21	<p>Lanivet Parish Affordable Housing Working Party Update from Chairman:- Chairman reported the work behind the scenes continues but with the embargo on new developments in the Camel River area we are precluded from submitting a planning application until further notice.</p>																																																	
192/21	<p>Lanivet Parish Sport & Recreation Trust Update:- Report received from Mr. D. Carter as follows –</p> <p>Firstly, the One For All Community Centre Activity at last. Complying with government national regulations the Community Centre is open with all meeting rooms available together with the outdoor sports areas. The use of hand sanitizer is still recommended, and good ventilation being considered at all times. The meeting rooms are already busy for various activities by day and in the evening. All the sports areas are again being used and the enthusiasm appears to be greater than ever.</p>																																																	

	<p>The Argyle Foundation Trust is running full day outdoor activities for children's events on a weekly basis which is supported by many children and families. The outside sports areas are being maintained helped by our volunteers keeping everything in tip top condition.</p> <p>Building work on the new café and training room is making good progress, the main structure is completed and is secure and watertight. Some delays are being encountered while we wait for materials such as wall insulation. The cost to build is increasing beyond belief, however we are keeping up a constant search for grants to complete the project and support, maintain and improve the facilities for the parish.</p> <p>The community sixteen-seater mini bus will soon be ready for the road.</p> <p>Secondly Covid 19 It continues as before: Barry Cornelius and his team are continuing with their efforts working in conjunction with the local surgeries, deliveries and collections of prescriptions and other requirements are still on a daily service. Transport for the elderly to get their jab appears to be complete in the area, but transport to hospital appointments is still available. At the moment this is still free to residents of Lanivet Parish, however the costs mount up and we are still striving to acquire funding to maintain this free service for as long as possible. Occasionally we do get called upon to support other areas and for this there is a small charge.</p>	
193/21	<p>Community Network Panel Meeting Update:- Clerk reported the next meeting of the Bodmin Community Network is due to be held on Wednesday 22nd September 2021 from 5.00pm to 6.30pm as circulated by email.</p>

Chairman would liaise again with the company with regards to siting and size of the lights. It was also suggested to put one of the lights near the footpath coming out facing the play area. It was resolved to allow delegated powers to the Chairman and Vice-Chairman to liaise and make a decision whether two or three lights are required (Proposed: Councillor Mrs. J. Stickland; Seconded: Councillor D Williams) Action: Chairman.</p> <p>Lanivet Car Park:- No update.</p> <p>Bus Shelters:- No update.</p>	Chairman
