Minute	AGENDA ITEMS	Action
1/16	<p><b>Public Forum:-</b> Three members of public in attendance this evening. Steve King reported on some fire issues with accesses from the hall. He lives on one of the alley ways and they try not to block it. The alternative access is blocked and if there was a fire this would cause a problem. There are other access issues and he is not sure what the Parish Council can do about this. Councillors A. Harris and Mrs. J. Stickland reported the rights of way access need to be kept up at all times. Part of the access down towards Greenview has been boarded up, this leads to the Forge. It is recently been blocked up by the lady that owns 3 Church Town. On deeds this is public access and should be kept open. He also advised they have problems with cars speeding up through and past the hall and he is not sure whether this is residents or holiday users, he is concerned with the play group children using the area. Chairman advised he would speak to Cornwall Councillor Chris Batters to see if he could assist on this matter. Councillor Mrs. J. Stickland advised that Maureen Sandercock and Derek Newman would be a good contact for a backup letter to advise this had always been used as a right of way. Chairman advised this is out of our jurisdiction and is a matter between the home owners and the Managing Trustees and possibly Cornwall Council as this appears to be a civil matter <b>Action:</b> Clerk to write to the Managing Trustees to advise this issue has been raised.</p> <p>Resident from Nanstallon highlighted the issues of speeding vehicles in and around Nanstallon. He worked in this area of work and is fully trained and aware of its workings. He met PCSO Andrea Crocker last week and discussed the issues and tried to come up with some ideas, the areas a predominately within the 30mph areas. A lot of the speeding arise from parents going to the school. There is a 3mph blanket around the whole of Nanstallon. How can this be tackled and can we join any speed watch type scheme and we would like to join with Lanivet as a double style attach. Can we add to the next Parish Council agenda so it could be minuted. Chairman reported it would be minuted this evening and we have been trying to get a speed watch up and running and we could include Nanstallon in this, although it is not quite so straight forward and we are waiting on the Police. It is a problem all over including our Parish and we have tried desperately tried to get this speed watch up and running and funding is one of the main issues. All we can do is pass on comments to PCSO A. Crocker and Cornwall Councillor C. Batters to follow up <b>Action:</b> Cornwall Councillor C. Batters to follow up with PCSO A. Crocker and report back to the resident.</p> <p>Cornwall Councillor C. Batters arrived at the meeting at 7.38pm.</p> <p>Cornwall Councillor C. Batters informed the resident of Nanstallon he needs to arrange a speed check be carried out first. Resident of Nanstallon advised he had already set the process going with PCSO Andrea Crocker.</p>	<p><b>Clerk</b></p> <p><b>Cwll. Cllr. C. Batters</b></p>

	<p>Cornwall Councillor C. Batters reported if the speed check showed a lot of speeding vehicles he could then arrange a temporary camera be put up. There is then a possibility of a Speed Restriction order put in place and any other calming measures necessary.</p> <p>Councillor A. Harris advised that Central Government are looking at allowing Parishes to set their own speed limits, so something like this could assist.</p> <p>Mr. Steve King left the meeting at 7.44pm.</p> <p>Two Members of public from Nanstallon left the meeting at 7.44pm.</p>	
2/16	<p><b>Members Declaration of Interest and Dispensation Requests:</b> - Councillors D. Carter and A. Harris declared a non-registerable interest under Paragraph 3.5A in the Lanivet Sport &amp; Recreation Trust.</p> <p>Councillors Mrs. K. Walker and Mr. S. Walker declared a non-registerable interest under Paragraph 3.5A in the Village Newsletter.</p>	
3/16	<p><b>Apologies:-</b> Councillor A. Steele, PCSO A. Crocker</p>	
4/16	<p><b>Minutes of the Monthly Meeting held on Thursday 10<sup>th</sup> December 2015:-</b> The Minutes of the Monthly Meeting held on Thursday the 10<sup>th</sup> December 2015 were confirmed as a true and accurate record and duly signed by the Vice-Chairman (Proposed &amp; Seconded)</p>

Carter, S. Walker or Mrs. K. Walker, this has since been followed up again and it appears the Bodmin Branch have not sent on. New paperwork had been received and passed to Councillors to take into the Branch as this is the last part to action <b>Action:</b> Keep Pending and Councillors to take into the local Branch and obtain photocopies of signed forms for our records.</p> <p><b>Page 2 Min.296/15 Reimbursement for missed Public Convenience Cleaning:-</b> Clerk reported the reimbursement had been received and was set against the invoice for payment this evening.</p> <p><b>Page 2 Min.300/15 Bridge at Ruthern Bridge:-</b> Clerk reported no response had been received from Scott Mann and this had been followed up again today <b>Action:</b> Keep Pending.</p> <p><b>Page 3 Min.310/15 Flooding Issues:-</b> Clerk reported a response had been received advising the concerns raised have been passed to the Highway Steward for investigation and action as required.</p> <p><b>Page 4 Min.313/15 Weed Control around the Public Conveniences, Car Park and Bus Shelters:-</b> Clerk reported a quote had been received from Complete Weed Control in the sum of £440.00 plus £88.00 vat, totalling £528.00 for weed control around the Parish to include the Car Park, Bus Shelter and Public Conveniences, twice a year <b>Action:</b> It was resolved to accept this quotation (Proposed &amp; Seconded)</p>	<p>Clerk/ Cllrs.</p> <p>Clerk</p> <p>Clerk</p>

	<p><b>Page 6 Min.322/15 Children Running out from Pedestrian Entrance Opposite Woodland View:-</b> Clerk reported a response had been received from Cormac as follows - Thank you for your email and I am sorry to hear of the concerns raised. Unfortunately we are unable to erect slow warning signs as these are not in accordance with national legislation Traffic Signs Regulations and General Directions (TSRGD). As you have already suggested, the most appropriate action is to liaise with the parents of the children of concern, to prevent the hazard occurring in the first place, rather than erecting signs in an area where children should be expected. If speeding is occurring, the local PCSO will be able to advise on the actions they can take. Although traffic calming or a road narrowing scheme may be of benefit at this location, unfortunately there are currently no funds to take such schemes forward. I am sorry that I am unable to provide a more positive response, however if the Parish Council would still like to meet on site to discuss their concerns, I am happy to do so <b>Action:</b> Clerk to arrange a meeting, to include Cornwall Councillor C. Batters.</p>	Clerk
6/16	<p><b>Monthly Report from Police (including Parish Police Surgery):-</b> No report received.</p>	
7/16	<p><b>Monthly Report from Cornwall Councillor Chris Batters:</b> - Cornwall Councillor C. Batters reported as follows: -</p> <ul style="list-style-type: none"> <li>• Planter in Woodland View – he will be chasing up again.</li> <li>• Drain at rear of 40 Rectory Road is a flooding issue and Cornwall Housing are saying it is Cormac and they are saying it is not. Cormac have now supplied a coloured map of what they are responsible for and they are not responsible for this area in question. Copy correspondence has been sent to Chairman and Clerk for information.</li> <li>• Stoney Lane – he would follow up again.</li> <li>• Silver Lane – the stretch causing a problem is Lower Woodley Farm to Barron Farm. Complainants have been liaising with him regarding this. Mr. Keat has been written to by Cornwall Council in respect of this.</li> <li>• Tree at the rear of St. Benets Close has been going on for some time. He finally got an answer from Cornwall Housing. The owner is responsible for the tree as it is in their garden. Anyone authorised can cut the tree down as long as there is no Tree Preservation Order on it.</li> <li>• Muddy and flooding issues are added to the list and followed up.</li> <li>• School Parking in Lanivet seems to have improved slightly. Councillors advised it is definitely better. If there is a problem Cornwall Councillor C. Batters advised he could obtain some No Parking signs to put outside the school.</li> <li>• Councillor Mrs. J. Dent queried Stoney Lane and advised she drove up recently and appeared to have been slightly better but nothing seems to have been done about the water coming off the fields onto the road. It has been suggested a ditch be put in the field, thus alleviating all the water coming out through the hedge onto the road and she wonders if this could be reported to Cormac. It is the first entrance on the left next door to Councillor Miss P. Bolton's property <b>Action:</b> Cornwall Councillor C. Batters to write to Cormac Solutions to request that he puts a ditch in the field, including the comments about Crop Compliance as raised by Councillor A. Harris.</li> <li>• Clann Lane – just before the electricity building there is one drain completely blocked and he has reported this, there was exactly the same problem last year.</li> </ul> <p>Vice-Chairman thanked Cornwall Councillor C. Batters for his report this evening and for attending the meeting.</p>	Cwll. Cllr. C. Batters

Here in St Endellion we have our own Car Park and use an enforcement agency to issue Parking Charge Notices. However, the company would like us to remove our Parking Place Order and I wonder if Lanivet is going to do the enforcement and issue of Parking Charge Notices themselves or will you be employing an enforcement agency to do it on your behalf? <b>Action:</b> Clerk to respond advising we already own the Car Park and will not be employment an Enforcement Agency as we will not be charging for the Car Park at this time.</p>	<p><b>Clerk</b></p> <p><b>Clerk</b></p> <p><b>Clerk</b></p>
