155/24	<p><b>Monthly Cornwall Councillor Report:-</b> Apologies received from Cornwall Councillor Mrs. J. Cruse report received as follows:-</p> <ul style="list-style-type: none"> <li>• Firstly, absolutely delighted that the relocatable MRI scanner is now up and running at Bodmin MIU. It really is a great facility and even has a video you can choose to look at whilst being scanned. As you may know I am on the HASCOSC Committee and I have been supporting the aspiration to make Bodmin a Community Hub a status which it now enjoys. With full diagnostic services it does mean top services close to home.</li> <li>• I have reported the huge tree and overgrown vegetation with the Housing Association for Rectory Road. Apparently, there has been a visit, but am chasing what is intended for the tree as it is taking all the light from one of the houses.</li> <li>• I have reported the overgrown vegetation top of Clann Lane. Unsure about the other spot so much easier for the resident to report the exact place. Car park potholes are not on Council Land.</li> <li>• I have reported the cluster of pot holes on Rectory Road directly to Rachel Tatlow of Cormac, apparently the road is on the 'list' for resurfacing.</li> <li>• I have tried all I can to get Jessica Finnemore the funding from CLUP. There is a chance that some of the approved bids will fail as they are unable to guarantee the delivery of project. So, if some funds become available her bid is certainly being considered. Portfolio holder for Families and Children visited on Monday and has emailed me to say how impressed she was with Jessica's determination. She will support where she can.</li> <li>• Can I have a price please for the Saints Trail sign. I think I sent the detail to Clerk regarding the sign maker used by Cardinham. If not remind me and I will send it through.</li> <li>• Councillor D. Williams he met at Rectory Road with Cornwall Councillor Mrs. J. Cruse. People have been seen looking at the car park and oak tree which she is also following up, although it was noted there is no TPO on the tree.</li> </ul> <p>Vice-Chairman thanked Clerk for circulating Cornwall Councillor Mrs. J. Cruse's report this evening.</p>	
156/24	<p><b>Highway Issues/Footpath Issues/Damaged Signs in the Parish:-</b></p> <p><b>Highway Issues:-</b> Email received from Trevor Hancock in respect of hedges that need cutting at the top of Clann Lane and along the pavement at Bodmin end of the village opposite Mill Row. Clerk had forwarded information to Cornwall Councillor Mrs. J. Cruse who had reported Clann Lane and suggested resident reports the other location, details had been forwarded accordingly.</p> <p>Councillor D. Williams had a complaint in respect of the hedge at the top of the Village Green. Councillor Mrs. J. Stickland reported she believed the hedge has been cut back in the last two days.</p> <p><b>Footpath Issues:-</b> None.</p> <p><b>Damaged Signs in the Parish:-</b> Councillor D. Williams reported on a missing sign nearby Tretoil Chapel, it was a give-way sign <b>Action:</b> Clerk to inform Cornwall Councillor Mrs. J. Cruse.</p> <p>Saints Way Sign – Councillor A. Harris reported it was a two-way sign <b>Action:</b> Clerk to ask Cornwall Councillor J. Cruse to liaise directly with Councillor A. Harris.</p>	<p>Clerk</p> <p>Clerk</p>
